

JBC C120013

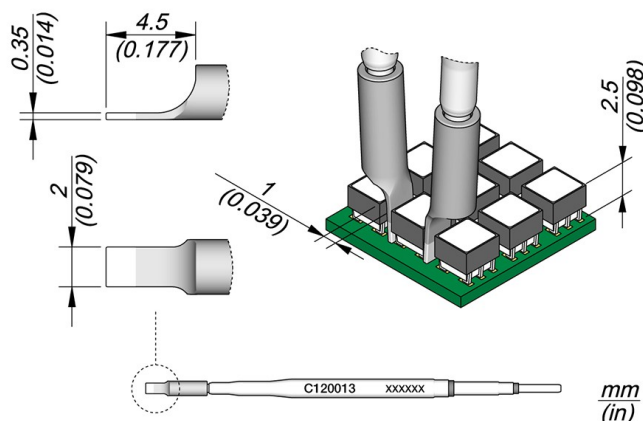

Blade Cartridge 2

C120 cartridges are appropriate for soldering and desoldering chips or dual in line components easily, reducing handling time.

They work with Micro Tweezers which enables to align the cartridges according to the user needs.

JBC Long Life Tips offer instant heat up, excellent heat transfer and great durability.

They last 5 times longer than other brands thanks to the Exclusive Heating System and the Sleep & Hibernation features.

Cartridges are sold individually
