Installation Notes

Stick on frame

Remove the push-button label from the carrier film.

Stick the push-button label onto the push-button frame.

WAGO's push-button label is attached to the push-button frame. A cover cannot be applied.

Snap into frame

Remove the push-button label from the carrier film. Press and hold the pre-punched carrier film to do this.

Snap the push-button label, with the carrier film on the back, on to the push-button frame. Only the area of the push-button label outside the remaining carrier film is adhesive.

Optional: A cover may also be installed on a push-button frame equipped with latches.

Subject to changes. Please also observe the further product documentation!

Push-button label and cover are snapped on to the push-button frame.

Subject to changes. Please also observe the further product documentation!
