PRODUCT CHANGE NOTICE

Dear Valued Lantronix Customer,

Lantronix is pleased to announce the release of new and improved xPico firmware version 6.8.0.3 and Web Manager Version 1.9.0.2.

These firmware versions will be available for download from the Lantronix website and adds the support of a second serial port to the product. The Web Manager upgrade provides the means to configure and manage the second serial port. The second serial port provides only transmit and receive data capability and does not support any flow control.
