### Identification

|                          |                                 |
|--------------------------|---------------------------------|
| Category                 | System cabling                  |
| Series                   | RJ45<br>Circular connectors M12 |
| Element                  | Cable assemblies                |
| Specification            | Pre-assembled on both sides     |
| Connector 1              | HARTING DualBoot RJ45           |
| Connector 2              | M12 D-coding<br>Male            |
| Type of cable            | Copper cable (round)            |
| Description of the cable | Type C                          |

### Version

|                 |             |
|-----------------|-------------|
| Cable length    | 8 m         |
| Number of cores | 4           |
| Core structure  | 4x AWG 22/7 |
| Coding          | D-coding    |

### Technical characteristics

|                              |                              |
|------------------------------|------------------------------|
| Transmission characteristics | Cat. 5 Class D up to 100 MHz |
| Data rate                    | 10 Mbit/s<br>100 Mbit/s      |
| Limiting temperature         | -25 ... +60 °C               |

**Pushing Performance**  
Since 1945

## Material properties

|                  |                    |
|------------------|--------------------|
| Material (cable) | PUR (polyurethane) |
| Colour (cable)   | Green              |

## Specifications and approvals

|                |                                                |
|----------------|------------------------------------------------|
| Specifications | UN/ECE-R 118 fire protection for rolling stock |
| PROFINET       | Yes                                            |

## Commercial data

|                                |                                              |
|--------------------------------|----------------------------------------------|
| Packaging size                 | 1                                            |
| Net weight                     | 538 g                                        |
| Country of origin              | Latvia                                       |
