

CRC Wipes Clean & Protect

I. General Description

CRC Wipes Clean & Protect are professional strength wipes that are capable of cleaning and protecting the surface quickly and efficiently. Eliminates oil, greases, lubricants, tar, adhesives, and others.

CRC Wipes Clean & Protect are impregnated with an effective cleaning and conditioning solution designed to be gentle to the surfaces but tough on the contaminants.

CRC Wipes Clean & Protect have an exceptional cleaning power, are extra absorbent and they are highly economical in use as they stay wet for longer.

Adapted for use in every industry, including food processing (NSF certified).

2.Characteristics

- Compatible with almost every surface: Exceptional compatibility with most materials (plastics, rubbers, leather, etc).and with the skin (hands).
- Extra cleaning power: Designed for the efficient removal of the most common contaminants
- Extra absorbent: Extra thicker for improved absorbency.
- Adapted for use in food processing safe environments: NSF approved
- Wetter for longer: Extra wetter and low evaporating solution for economic cleaning
- Do not dry or irritate the skin: Neutral PH, do not contain perfumes, Polyaminopropyl biguanide (PHMB), alcohol or chlorine and are dermatologically tested

3.Applications
