

# Product Change Notice

QD4-099 Rev.A0

## Product(s) Affected:

BOXER-6616-A1-1010

BOXER-6616-A2-1010

Date Effective: 15/01/21 (dd-mm-yy)

Due to the Intel® Apollo lake series CPU stepping change, we decide to adopt new stepping CPU to replace the original one and the part number of product BOXER-6616 series will be revised. This replacement passes functions test without effect system performance or any drivers change.

※ Intel® Pentium® / Celeron® Processor N4200/N3350 stepping changes from B1 to F1.

※ Part Number of BOXER-6616 series move to 1110 from 1010.

※ BIOS changes accordingly.

Date of Publication: 20/11/21 (dd-mm-yy)

## Changes to Product:

### Purpose of Change:

We always devote to improve our products to bring customer better experience, therefore, we adapt the new stepping of Intel® Apollo Lake CPU accordingly with following Intel's strategy. For the new part number, please refer to below comparison table, please be kindly noted and thanks for your attention and understanding.
