

Product Change Notification

QD4-099 Rev.A0

Subject:

Product Change Notification for BOXER-6404U serious

Date of Publication:

August 12, 2021

Reason for Change:

Due to EOL of LAN IC RTL8111E-VL-CG on BOXER-6404U, we are going to change it to Intel I211-AT which is more accessible. This change needs to update the BIOS, and we will prepare samples for function test to make sure that it won't affect the system performance. We plan to finish the verification and issue the ECN between 2021 Q4 to 2022 Q1.

Key Characteristics of the Change:

Change LAN IC to RTL8111E-VL-CG

Del 14S4811103 x 2 pcs
Add 1440211AT0 x 2 pcs

Change BIOS to support Intel I211-AT

Description of Change to the Customer:

The New Part number will be BOXER-6404U-A1-1110 & BOXER-6404U-A2-1110

Product(s) Affected:

Part Number	Description
BOXER-6404U-A1-1010	Emb.Ctrl.J1900.1VGA.2LAN.1COM.1USB3.1USB2.DIO
BOXER-6404U-A2-1010	Emb.Ctrl.N2807.1VGA.2LAN.1COM.1USB3.1USB2.DIO

Note:

N/A

Sincerely Yours,
