SWITCH TO THE FUTURE

5V - 1A

ENGLISH

1Y.GU.005 GATEWAY YESLY Wi-Fi 2.4 GHz

❶ INSTALLATION
Connect the Micro USB connector to the Gateway and the power supply to the electrical outlet.
After switching on, the Gateway's luminous base will flash with a fading white light, awaiting configuration.
Use the Finder YESLY APP for Gateway configuration, **only after creating the Yesly system with the TOOLBOX App Finder**.
For more information: yesly.life/setup-gateway

❷ LUMINOUS BASE
