Change Notice Form

Description of Change:

EOL of all wafer and package options of AT25SF041 and conversion to AT25SF041B or AT25FF041A alternatives

The AT25SF041, 4Mbit Serial Flash device, all Packages, all options, configurations, and derivatives have been moved to End of Life Status due to 90nm wafer manufacturing process being discontinued. Appendix I lists the base part numbers and new part cross references. For device part numbers not listed contact Adesto Sales contact@adestotech.com

A 4Mbit conversion guide AN401 has been provided @ https://www.adestotech.com/wp-content/uploads/AN401.pdf

Address all inquiries, including acceptance of this change, requests for qualification data and/or product samples to PCN@adestotech.com

Adesto will deem this change accepted, unless specific written conditions of acceptance are provided by the customer, within 30 days from the date of this notice. Adesto reserves the right to ship either the original version or the new version of the affected product after the Target Production Release Date specified in this notice.
