

# ECO COMPLEX BLUE & ECO FOAM CLEANER

Quickly removes grease, oil, lubricants, grime, blood, nicotine, food and other tough stains, virus, bacteria and fungus from any washable surface.

### IMPROVED FORMULA:

Improved efficiency targeted to the toughest contaminants

### FOOD PROCESSING SAFE:

NSF registration: A1

### ENVIRONMENTALLY FRIENDLY:

Biodegradable per OECD 301B> 64%

### SAFE FOR THE WORKER:

- Does not contain ammonia, chlorinated, petroleum or other hazardous solvents
- Non-flammable
- Non Volatile Organic Compounds (VOCs)

### SAFE FOR THE SURFACE:

Compatible with most materials incl. metals, plastics, and painted surfaces

### PRACTICAL:

Eco Complex Blue Ready To Use (RTU)

- Optimized blend of solvents for removal of the most common contaminants
- Spray and go (Ready-To-Use)

#### User advice:

May be directly applied on the surface or on a cloth
