### Identification

|                          |                             |
|--------------------------|-----------------------------|
| Category                 | System cabling              |
| Series                   | Expanded beam               |
| Element                  | Cable assemblies            |
| Specification            | Pre-assembled on both sides |
| Connector 1              | Expanded beam 4 channels    |
| Connector 2              | 2x LC duplex                |
| Type of cable            | FO cable                    |
| Description of the cable | Multimode                   |

### Version

|                  |                 |
|------------------|-----------------|
| Cable length     | 5 m             |
| Number of fibres | 4               |
| Fiber type       | 2x 2G50/125 OM3 |

### Technical characteristics

|                                        |                |
|----------------------------------------|----------------|
| Limiting temperature                   | -40 ... +85 °C |
| Degree of protection acc. to IEC 60529 | IP68           |
| Cable diameter                         | 3 mm           |

### Material properties

|                         |           |
|-------------------------|-----------|
| Material (hood/housing) | Aluminium |
| Colour (hood/housing)   | Black     |
| RoHS                    | compliant |

**Pushing Performance**  
Since 1945

## Material properties

|                                      |                                                      |
|--------------------------------------|------------------------------------------------------|
| ELV status                           | compliant                                            |
| China RoHS                           | e                                                    |
| REACH Annex XVII substances          | Not contained                                        |
| REACH ANNEX XIV substances           | Not contained                                        |
| REACH SVHC substances                | Yes                                                  |
| REACH SVHC substances                | Lead<br>6,6'-di-tert-butyl-2,2'-methylenedi-p-cresol |
| ECHA SCIP number                     | 8a5c37c3-d5dc-469f-b994-a066c654819f                 |
| California Proposition 65 substances | Not contained                                        |

## Commercial data

|                                |                                              |
