

EOL Notification

1. General Information					
Type of EOL	Chipset Upgrade				
Description of EOL	1. Partial OC of M66-DS, M66, M89, M95, MC60, MC90, M72 will be EOL. 2. For modules listed below, Quectel will replace the existing PA (model: RF7198TR13) with PA (model: HS8298H).				
Reason of EOL	As the supply shortage of PA (mode: RF7198TR13) and the delivery cannot be guaranteed. Therefore, it is recommended to use the Alternative Products as soon as possible.				
2. Information of EOL Products and Alternative Products					
EOL Products Information			Alternative Products Information

Alternative Products Release Date: Alternative Products will be available from <u>30/12/2021</u> (DD/MM/YYYY).					
3. EOL Milestones					
Milestone	Definition				Date (DD/MM/YYYY)
EOL Notice Date	The date the document that announces the end-of-sale and end-of-life of a product is distributed to the customer.				30/12/2021

Last Time Buy (LTB) Date	The last date to order the product through Quectel sale mechanism. The product is no longer for sale after this date.	31/03/2022
Last Time Ship (LTS) Date	The last possible shipment date that can be requested of Quectel and/or its contract manufacturers. The actual shipment date depends on lead time.	30/06/2022
End of Software Maintenance/Technical Document Release Date	After this date, Quectel Engineering will no longer develop, repair, maintain, or test the product software or release any technical documents of it, except for fixes for bug or security issues.	31/03/2022
End of Routine Failure Analysis Date	The last possible date a routine failure analysis may be performed to determine the cause of product failure or defect.	31/03/2023
Last Date of Support	The last date to receive applicable service and support for the product as entitled by active service contracts or by warranty terms and conditions. After this date, all support services for the product are unavailable, and the product becomes obsolete.	31/03/2023

4. Impacts of the EOL

Risk Assessment	None
Suggested Implementation Plan	<ol style="list-style-type: none"> 1. The replacement of the module may require the customer to update the product certification. 2. It is recommended to take the Alternative Products. Quectel confirms the performance of Alternative Products and EOL Products are almost the same, except a few of functional differences. For detailed information about the Alternative Products, please contact your regional sales or distributor.

5. Customer Acknowledgement of Receipt

Please acknowledge receipt of this EOL notification by replying to info_PCN@quectel.com.
 If no feedback is received within 30 days after the issue date of this notification, then Quectel may deem that this EOL has been tacitly accepted and can implement it as indicated above.
