4. Impacts of EOL		
Risk Assessment	<div><div>1.</div><div>Ordering Codes of Alternative Products will be changed. Please confirm the corresponding ordering codes when you place the orders.</div></div> <div><div>2.</div><div>As EOL Products and Alternative Products are based on different baseband chips, Alternative Products should use the new firmware version. Please select the new firmware version according to the new ordering codes.</div></div> <div><div>3.</div><div>Alternative Products may affect the certification of the customer's equipment, please subject to the customer's self-confirmed results.</div></div>	
Suggested Implementation Plan	<div><div>1.</div><div>Through rigorous and complete testing, Quectel confirms that Alternative Products fully meet the functional and performance requirements. It is recommended to perform compatibility testing before using the Alternative Product for mass production.</div></div> <div><div>2.</div><div>Alternative Products are in mass production now. For the details, please contact the regional sales or distributors.</div></div>	
5. Customer Acknowledgement of Receipt		
Please acknowledge the receipt of this EOL notification by replying to info_PCN@quectel.com . If no feedback is received within 30 days after the issue date of this notification, Quectel will deem this EOL tacitly accepted and implement it as indicated above.
