## Identification

|                          |                                                           |
|--------------------------|-----------------------------------------------------------|
| Category                 | System cabling                                            |
| Series                   | RJ45                                                      |
| Element                  | Cable assemblies                                          |
| Specification            | Pre-assembled on both sides                               |
| Connector 1              | HARTING VarioBoot RJ45<br>Preferred directions left/right |
| Connector 2              | HARTING VarioBoot RJ45<br>Preferred directions left/right |
| Type of cable            | Copper cable (round)                                      |
| Description of the cable | Wiring 1:1<br>Flame retardant<br>Halogen-free             |

## Version

|                 |                |
|-----------------|----------------|
| Cable length    | 2 m            |
| Number of cores | 8              |
| Core structure  | 4x 2x AWG 26/7 |

## Technical characteristics

|                              |                                                                            |
|------------------------------|----------------------------------------------------------------------------|
| Transmission characteristics | Cat. 6A Class E <sub>A</sub> up to 500 MHz                                 |
| Data rate                    | 10 Mbit/s<br>100 Mbit/s<br>1 Gbit/s<br>2.5 Gbit/s<br>5 Gbit/s<br>10 Gbit/s |

## Technical characteristics

|                                        |                                              |
|----------------------------------------|----------------------------------------------|
| Limiting temperature                   | -20 ... +60 °C unmoved<br>0 ... +60 °C moved |
| Degree of protection acc. to IEC 60529 | IP20                                         |

## Material properties

|                                      |               |
|--------------------------------------|---------------|
| Material (cable)                     | FRNC (LSZH)   |
| Colour (cable)                       | Blue          |
| RoHS                                 | compliant     |
| ELV status                           | compliant     |
| China RoHS                           | e             |
| REACH Annex XVII substances          | Not contained |
| REACH ANNEX XIV substances           | Not contained |
| REACH SVHC substances                | Not contained |
| California Proposition 65 substances | Not contained |

## Specifications and approvals

|                |                                                                                                                                                  |
|----------------|--------------------------------------------------------------------------------------------------------------------------------------------------|
| Specifications | ISO/IEC 11801<br>IEC 61156-6<br>IEC 60332-1 Flame retardancy<br>IEC 60754-2 Halogen freeness<br>IEC 60754-2 Non corrosive<br>IEC 61034 Low smoke |
|----------------|--------------------------------------------------------------------------------------------------------------------------------------------------|

## Commercial data

|                                |                                         |
