Will you please give notice of discontinuance to your existing customers for the old product, if any, and suggested them to use the alternative products for their production?

For your customer's evaluation, we can provide your customers with free samples on request. Please let us know the number of your customers, their names.

In order to provide sufficient time for existing customers to evaluate an alternative sensor, we assure you of continued supply until March 31, 2013 except the following items:

- TGS824-A00/N00: Not available anymore
- AMS2600: Around 80pcs. of availability. The goods will be supplied as first come first serve basis.
- AMS2602: Around 60pcs. of availability. The goods will be supplied as first come first serve basis.

We apologize for any inconveniences that you may have due to discontinuance of the products.

We would appreciate your prompt notice to your customers.

Should you have any questions, please contact Figaro Engineering.

Sincerely yours,

Kazuaki Watanabe
