

# Data sheet Product SK 578 1000 SA

Heatsinks and active heatsinks for processors>Heatsinks for LEDs

Ø 60 mm, for IC design LED

## Features

|                     |                                                                                                             |
|---------------------|-------------------------------------------------------------------------------------------------------------|
| way of fixation:    | <ul style="list-style-type: none"> <li>• therm. conductive foil</li> <li>• therm. cond. adhesive</li> </ul> |
| length:             | 1,000 mm                                                                                                    |
| thermal resistance: | 2.15 - 1.05 K/W                                                                                             |
| surface:            | black anodised                                                                                              |
| adapter (optional): | adapter plate (art. no. AD LED 53)                                                                          |

## Technical Drawing
