| <b>LAST BUY:</b>                                                                                             | <input type="checkbox"/> New Production* Last Buy until<br><input type="checkbox"/> Remaining Stock<br><input checked="" type="checkbox"/> No                                                                                         |
| <b>REMAINING STOCK:</b><br>(Subject to prior sales)                                                          | 370 PCS                                                                                                                                                                                                                               |
| <b>REPLACEMENT:</b>                                                                                          | DEM 128064K1 SBH-PW-N                                                                                                                                                                                                                 |
| <b>REASON of Notification:</b>                                                                               | Driver IC (ST7565R) has very unstable supply. Sitronix allocate just 10% of the demand. We decided to switch to other IC (IST3004-TX) which should be 100% software compatible. Equivalent Module samples are for customers approval. |
| <b>Remarks:</b><br>* For a last buy new production MOQ may occur. Please contact our sales team for details. | Equivalent modules are ready in stock here and we kindly ask to contact our sales for samples for your approvals. Thank you for your attention and understanding.                                                                     |

We deeply apologize for any inconveniences and thank you for your understanding. Should you have queries and special requirements, please feel free to ask our sales team for any assistance. We look forward to working with you soon...
