### Identification

|               |                           |
|---------------|---------------------------|
| Category      | System cabling            |
| Series        | Circular connectors 7/8"  |
| Element       | Cable assemblies          |
| Specification | Pre-assembled on one side |
| Connector 1   | 7/8"<br>Female Angled     |
| Type of cable | Copper cable (round)      |

### Version

|                                   |                              |
|-----------------------------------|------------------------------|
| Cable length                      | 10 m                         |
| Number of cores                   | 5                            |
| Core structure                    | 5x 1.5 mm <sup>2</sup><br>PE |
| Number of contacts                | 5                            |
| Number of power contacts          | 4                            |
| Number of special contacts        | 1                            |
| Specification of special contacts | PE contact                   |

### Material properties

|                  |                                                        |
|------------------|--------------------------------------------------------|
| Material (cable) | PVC                                                    |
| Colour (cable)   | Grey                                                   |
| RoHS             | compliant with exemption                               |
| RoHS exemptions  | 6(c): Copper alloy containing up to 4 % lead by weight |
| ELV status       | compliant with exemption                               |

**Pushing Performance**  
Since 1945
