End of Life Notice

WNFQ-258ACN(BT) (Qualcomm Atheros QCA6174A-5) – 802.11ac/a/b/g/n M.2 Module

Dear Valued Customers,

SparkLAN Communications, Inc. is committed to offer its valued customers quality products at the best possible prices. To ensure that commitment, SparkLAN evaluates the features and cost-effectiveness of its current product lines, and has decided to discontinue supplying WNFQ-258ACN(BT) (Qualcomm Atheros QCA6174-5).

We are sending you this letter because you have been purchasing WNFQ-258ACN(BT) in the past years. We hope you are satisfied with its performance and our services. In order to minimize your business impact by the EOL, SparkLAN is recommending you to prepare the last time buy opportunity, the last time buying date is **March 03, 2025** with final shipping date of **June 30, 2025**.

Please contact SparkLAN sales representative for last time buy order with business terms and conditions accordingly. We will not guarantee the availability of this product for any order placed after March 03, 2025 as this will depend on our inventory level and booking status. If you have any inquiry about this product's discontinuation, please feel free to contact SparkLAN sales representative.

Recommended direct replacements for WNFQ-258ACN(BT) are:

WNFQ-261ACNI(BT) (Qualcomm QCA6174A-5): 802.11ac/a/b/g/n Industrial Grade M.2 Module

QCNFA364A (Qualcomm QCA6174A-5): 802.11ac/a/b/g/n M.2 Module

If you would like a recommendation that is not necessary a direct replacement but a more cost effective one, please contact your Sales Representative.

Best Regards,

A handwritten signature in blue ink, appearing to be "W. Chen", written over a horizontal line.
