

Interzoll | PCB holder and fixing material

LKH/M 02

Order no.:86080020

With 4 through holes for fixing front panels and circuit boards

* = Available on request.

Important: Suitable pressure compensation element

To compensate for pressure when temperatures change and cause moisture in the enclosure, we recommend that you use a **pressure compensation** element.

In order to ensure that you can determine the correct quantity of elements for your application, we are providing you here with a DAE calculator.
