

Product Change Notice

QD4-099 Rev.A1

Product(s) Affected: MIX-H310D2 series

Effective date: December 20, 2022

Last time buy date: June 30, 2023

Product Change Description:

Due to original LAN chip Intel i211AT has announced EOL, and vender recommends changing into i210AT. No BIOS change on LAN chip changing. We adapt the new replacements to replace the EOL components on motherboard to keep product's stability and reliability without any product function change. For the new part number, please refer to below comparison table, please be kindly noted and thanks for your attention and understanding.

Benefits: Impacts:

To avoid material EOL issue and keep product production on the same PCB.
