

# Data sheet Product SK 618 15 SA

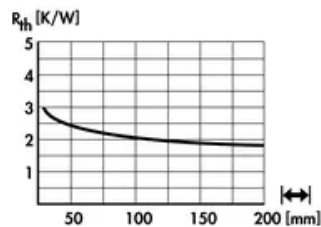

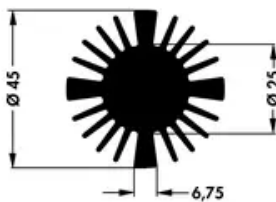

Heatsinks and active heatsinks for processors>Heatsinks for LEDs

## Features

|                     |                                                                                                             |
|---------------------|-------------------------------------------------------------------------------------------------------------|
| way of fixation:    | <ul style="list-style-type: none"> <li>• therm. conductive foil</li> <li>• therm. cond. adhesive</li> </ul> |
| length:             | 15 mm                                                                                                       |
| thermal resistance: | 3 - 1.8 K/W                                                                                                 |
| surface:            | black anodised                                                                                              |
