### Identification

|               |                               |
|---------------|-------------------------------|
| Category      | System cabling                |
| Series        | Circular connectors M12       |
| Element       | Cable assemblies              |
| Specification | Pre-assembled on one side     |
| Connector 1   | M12 D-coding<br>Male Straight |
| Type of cable | Copper cable (round)          |

### Version

|                 |             |
|-----------------|-------------|
| Cable length    | 10 m        |
| Number of cores | 4           |
| Core structure  | 4x AWG 22/7 |
| Coding          | D-coding    |

### Technical characteristics

|                              |                              |
|------------------------------|------------------------------|
| Transmission characteristics | Cat. 5 Class D up to 100 MHz |
| Data rate                    | 10 Mbit/s<br>100 Mbit/s      |

### Material properties

|                  |                    |
|------------------|--------------------|
| Material (cable) | PUR (polyurethane) |
| Colour (cable)   | Green              |
| RoHS             | compliant          |
| ELV status       | compliant          |

**Pushing Performance**  
 Since 1945

## Material properties

|                             |               |
|-----------------------------|---------------|
| China RoHS                  | e             |
| REACH Annex XVII substances | Not contained |
| REACH ANNEX XIV substances  | Not contained |
| REACH SVHC substances       | Not contained |

## Specifications and approvals

|                |                                                |
|----------------|------------------------------------------------|
| Specifications | UN/ECE-R 118 fire protection for rolling stock |
| PROFINET       | Yes                                            |

## Commercial data

|                                |                                              |
