

## M20 Discontinuation Notice

<b>Change No.</b>	EOL12090601	<b>Date of issue</b>	6 September, 2012
<b>1. General information</b>			
<b>Title of EOL:</b>	M20 discontinuation notice		
<b>Description of EOL :</b>	Quectel has decided to phase out M20 (R1.0 MT6223D) GSM/GPRS module within six months.		
<b>Reason for EOL :</b>	Due to the market trend towards smaller and connector-less modules, decreasing demand for M20 , and higher maintenance cost associated with board to board connectors, we have decided that it's finally the right time to phase out M20 and promote our alternative and newer modules that are better suited for today's market.
