### Identification

|                              |                                        |
|------------------------------|----------------------------------------|
| Category                     | Accessories                            |
| Series of hoods/housings     | Han-Modular®                           |
| Type of accessory            | Dust protection cover                  |
| Description of the accessory | for Han-Modular® plastic docking frame |

### Version

|      |      |
|------|------|
| Size | 16 B |
|------|------|

### Technical characteristics

|                                        |                 |
|----------------------------------------|-----------------|
| Limiting temperature                   | -40 ... +125 °C |
| Degree of protection acc. to IEC 60529 | IP20            |

### Material properties

|                                           |               |
|-------------------------------------------|---------------|
| Material (hood/housing)                   | Thermoplastic |
| Material flammability class acc. to UL 94 | V-0           |
| RoHS                                      | compliant     |
| ELV status                                | compliant     |
| China RoHS                                | e             |
| REACH Annex XVII substances               | Not contained |
| REACH ANNEX XIV substances                | Not contained |
| REACH SVHC substances                     | Not contained |
