

Product Change Notice

QD4-099 Rev.A1

Product(s) Affected:

- BOXER-6645-ADS-A1-1010
- BOXER-6645-ADS-A2-1010
- All of customized BOXER-6645 PNs

Release date: 2024.02.29 (yy/mm/dd)

Last time buy date: 2024.07.31 (yy/mm/dd)

Product Change Description:

Due to the product strategy and improvement, we decide to adopt a revision motherboard to replace the original one for the BOXER-6645 series. This replacement passes functions test without effect system performance or drivers change and will bring the system with higher stability and reliability.

The Product appearance also remains completely consistent.

Benefits: Impacts:

We always devote to improve our products to bring customer better experience, therefore, we move our BOXER-6645 series product to next version to bring customer a better experience and stability.

All the specifications and product dimension keep the same as previous version.

-Improve the circuit design to optimize the yield rate

-Update the new part number version from 1010 to 1110

For the new part number, please refer to below comparison table, please be kindly noted and thanks for your attention and understanding
