

# Data sheet Product SK 585 20 SA

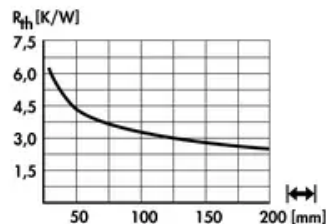

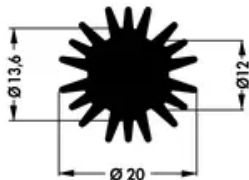

Heatsinks and active heatsinks for processors>Heatsinks for LEDs

## Features

|                     |                                                                                                          |
|---------------------|----------------------------------------------------------------------------------------------------------|
| way of fixation:    | <ul style="list-style-type: none"><li>• therm. conductive foil</li><li>• therm. cond. adhesive</li></ul> |
| length:             | 20 mm                                                                                                    |
| thermal resistance: | 6.3 - 2.4 K/W                                                                                            |
| surface:            | black anodised                                                                                           |
