

Product Change Notice

To: All concerned

From: Carlos Fornies

Date: 10/07/2018

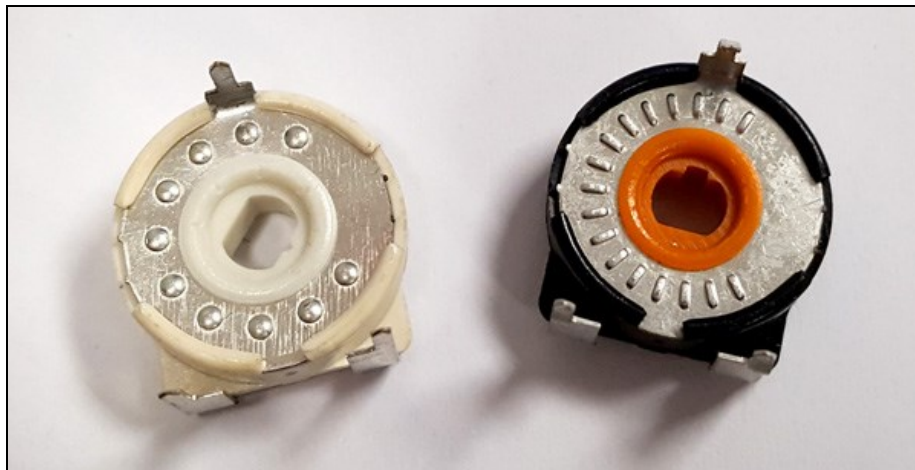

N° Pages: 2

PCN Ref N°: New “detents” design with improved feeling for 15mm series.

Please be advised that we are changing our detents feature from **round** to **rectangular (elongated)** shape.

[Reason for the change] The new shape affords a more sharp and homogeneous feeling without compromising any mechanical or electrical specification.

Visual: left: round detents (old) / right: rectangular-elongated detents (new)

INVOLVED ARTICLES: PT-15 and PTC-15 potentiometer series. The full list is attached below.

SAMPLES AVAILABLE: Yes.

FIRST DATE TO SHIP CHANGED PARTS: Week 34.

Items will be delivered with round shape until the end of stock, both shapes could be shipped in the same purchase order due to this stock end. Items will not be mixed in bags or individual boxes”.

We thank you in advance for your kind cooperation and remain at your disposition for any further information you might require.

Sincerely,

Carlos Fornies
Product Manager

List of affected articles (those with sales from 2015 onwards):

PT15NV23-104A2020-----P06-----S

And any other standard PT-15 or PTC-15 with standard round detents configuration and 13 or less detents.
