

Product information

WFE Tip Extraction

Code No. : **T0053640299**

Portable fume extraction unit for tip suction, compressed air operated

*****Approved technology in new design*****

Weller Tools announces design changes for all fume extraction units of the new product line WellerFT

According to the official announcement of the consolidation of Weller Zero-Smog and Filtronic to the new brand WellerFT filter system, all products will be produced in a new unique color.

(change date March 2014)

Technical data

This station is ESD safe.

Operating pressure:	3.5 - 6 bar of cleaned, dry compressed air
Compressed air connection:	AD 6 mm hose
Height::	200 mm
Diameter:	140 mm
Weight:	2,7 kg
Noise level:	39 dBA at 1 m intervals
Air consumption:	30 l/min

3-stage filter:

Fine particulate air filter F7

Class H13 particulate filter

Wide band gas filter: 50% activated carbon, 50% Puratex
