TISP® THYRISTOR SURGE PROTECTORS

November, 2013

Select TISP® Thyristor Surge Protectors to be Discontinued

In accordance with our ongoing product lifecycle management procedure, Bourns has identified select TISP® Thyristor Surge Protector products that will be transferred to an *End of Product Life* status. A lack of sales volume and diminishing demand necessitates this action.

Bourns is discontinuing the products listed below, with a last time ship date of March 28, 2014. For replacement options please contact the Bourns team of Field Application Engineers to review alternative solutions to meet the application requirements.
