

DX 120

Product no.: T0051315299N

Benefits

- The DSX series tools feature a novel threadless desoldering nozzle fixture system whereby the nozzle is inserted into the head and locked into place by applying a 1/4 turn. This patented feature allows the desoldering nozzles to be quickly and easily exchanged and also improves the rate of thermal transfer from the desoldering head to the desoldering nozzle providing the tools with a faster heat up time and recovery rate. Additionally, because there are no threads in the head to foul, maintenance and costs are reduced. O : 2,5 mm, I : 1,1 mm, N : 22 mm

For this purpose, we recommend:

Solder fume extractors

Cleaning

Soldering irons

Zubehoer

Technical Data

Tip shape	Suction nozzle
